

Our "In Stock" Unique Picks For The Hospitality Industry

Unique Manufacturing is a unique supplier, selling to the hospitality industry since 1987.

Sales grow year after year for two reasons:

The wide variety of unique picks we sell and our very **LOW** pricing.

Unique Manufacturing is becoming a leading supplier of some of the most contemporary, colorful, unique, fun, different, **functional, and INEXPENSIVE** food and beverage picks you will ever see.

As you view the different product lines in this brochure, you will see several size and color options that most suppliers do not have available. In some cases, you will see picks that you have not seen before. On price, many customers tell us our pricing is 20% to 40% less than they were paying for the same picks from other sources.

Our picks will enhance the presentation value and the look of your food and beverage items. Today, research shows that the hospitality guest today is looking for something different.

CHENILLE & FOIL DECORATOR PICKS

Chenille and foil picks are a fantastic presentation item to make food and beverage items stand out. We offer 7 chenille picks and 6 foil picks. The pricing on these picks is just pennies AND using these picks makes common "CENTS".

FREE PICKS!

How can you get free chenille and foil picks? Here's how. Many customers sell a \$6 beverage and a \$4 dessert. Then, they insert one of our unique chenille picks (at 10¢ to 14¢) into the beverage straw or add an 8¢ foil pick in that attractive slice of NY cheesecake. Now that \$6 beverage is \$6.25 and the cheesecake is \$4.25. It's a money maker. The customer's reaction? "Wow, look at that" or "What a nice touch" or "I've never seen that before".

Unique Manufacturing makes the ordinary look extraordinary
